Subject: ACP memo

I wanted to follow up on our conversation yesterday about an ACP memo. Would you be ok with the following approach?

- You mention the individual stakeholder to Gov as you had originally planned,
- I'll develop a memo for him next week (August 14), for sharing with him the following week (August 21). The short memo will include the groups and individuals I've met with on the ACP as well as their points of concern. I don't think we need to rush a memo to him this week.
- DEQ is hosting ACP listening sessions August 15-17 and the comment period on the state water quality permit for the ACP ends August 19. I'd suggest asking DEQ to share an ACP memo with the Governor after the comment period, as they, too, are having lots of conversations regarding the ACP and will have received quite a few comments.
